

2025 VFW POST 392 GOLF TOURNAMENT

Pricing and dates offered by local golf courses have resulted in a tentative projection for available dates in September and October of \$100/player which includes an estimate for post tournament dinner catering at the Post. Courses with which pricing and dates have been discussed, include Stumpy, Honeybee, Chesapeake, Red Wing, Herons Ridge, Virginia Beach National and Broad Bay. In order to proceed with confidence that the outing will receive enough support to be successful, an expression of interest is requested per the signup below. In the event that expressions of interest received prior to the next scheduled monthly post meeting are inadequate for the event to break even, the golf committee, will start looking at options for next spring. Any suggestions concerning course pricing or dates can be entered into the comment column below or conveyed by telephone or email to Pat Johnsen, phone 443-789-8995.

If you intend to participate, please signup in the table below or email your intentions to Pat Johnsen at Johnsen_patrick@comcast.net. A determination on whether or not to proceed with plans for 2025 will be made, based on expressions of interest received, prior to the next monthly post meeting scheduled for August 5, 2025.
