COMMANDER'S CALL

Greetings Comrades, I hope everyone is doing well and has enjoyed the summer. Moving into the fall months will hopefully bring some more pleasant weather for us in this area. August was a busy month with a lot of things happening. We had our first District 2 meeting of this fiscal year on August 10th. There was a good turn out from the district and a lot of information was put out on many programs for this year. Keep an eye on the Post website and our Facebook page for updates and information. Our biggest event of the year is our annual Family Appreciation Day Picnic on Sept 1st. It is Co-Chaired by JVC Kevin Hébert and Aux JVP Michelle Wikkerink. Together they have worked tirelessly to make this an outstanding event for everyone. I want to thank them both for their

leadership and dedication to TEAM 392 and our mission. This month also has our Patriots Day Colors Ceremony on Sept 11th at 0800. We will be hosting our community First Responders for this event and honoring them on that day. On Sept 14th we will hold another Quilts of Valor Ceremony Sew Day, with presentations at 1300. If you have never been to one of these I would highly recommend attending. If you know a vet who has not received a quilt, please let Troy Wagers know and he will get the application done for your veteran. Sept 23rd is the 125th Birthday of the Veterans of Foreign Wars. On Sept 29th, we will be holding a Gold Star Family Appreciation event. More details will be coming soon on this event. I would ask that we have a good showing to support these mothers and families who have lost a loved one through the ultimate sacrifice for our country. They deserve our honor

POST 392 - NEEDS YOU!

and recognition. This is a perfect opportunity for us to show how “WE HONOR THE DEAD BY SUPPORTING THE LIVING”.

I am proud to say that we have done an excellent job of showing our team spirit for TEAM 392. You have stepped up and answered to call when volunteer signup sheets have been posted and helped wherever needed. That is the attitude we need to have at the Post to continue to make it better than before. I am going to modify a quote by JFK and say that we should ask not what our VFW can do for us but what we can do for our VFW? If we all keep that in mind, I think we will all benefit in greater ways. Please keep coming out and supporting the Pool, Poker, and Dart tournaments, Bingo and Monthly Trivia, and our weekly food specials. Keep an eye out for monthly special dinners as there are some plans in the works to start doing things again. These will only last with YOUR support.

One other item that is coming back soon will be our Sunday Cootie Breakfast. This is probably the best deal in town for an all-you-can eat buffet style meal. Spread the word and bring a friend since this event is open to the public.

If you know someone who is sick or hospitalized, please let us know so we can check on them and make visits. Comrades, as always, I want to wish everyone well, I hope you are all staying safe and healthy as we move forward in the new business year. I hope to see you around the Post.

SENIOR VICE COMMANDER

Fellow Brothers and Sisters,
I hope that you are all well. I believe all have had a good time.

Looking at the upcoming month, we will start with our Family Day Picnic. As summer comes to an end, we're now getting ready for school. We are having a school supply drive for the children of Virginia Beach. Please donate as we will be filling the Sheriff's car again.

We are the largest VFW post in the District. I ask that we all try to recruit one person to see join in helping our veterans. Please remember that suicide prevention is dear to my heart. 22 lives is 23 too many. Please, if you know someone that needs help or is at a loss, contact us here or call 988 to help them get assistance, or just sit down and listen, as maybe they might just want a friend or someone to talk to. Help save a Vet.

Breakfast will be starting soon; we need some help in the kitchen. One Sunday a month helping won't hurt you, and you'll likely see someone that you haven't seen for a long time.

JUNIOR VICE COMMANDER

Greetings, Brothers and Sisters,

August continued to provide multiple events and meetings for our Post that have made an impact in our district and our local community. On August 10th, our Post hosted the VFW District 2 School of Instruction and District 2 meeting, with many in attendance from both Post 392 and our Auxiliary. I thank all our Post and Auxiliary officers and members who attended the meeting. These meetings are held quarterly and provide good information about what is going on around the district at our companion Posts. Our next District Meeting is November 9th, at 0900, at VFW Post 4411. We hope that you will come out and represent our Post! We had a great night of fun with DJ Shannon on August 16th and our Trivia Night on the 26th with the Master of Trivia, “Good Steve” Wilkins, testing us on our 80's Rom-Com knowledge. A big event coming up that you don't want to miss is our annual Family Appreciation Labor Day Picnic on September 1st from 12-5pm. Volunteer sign-up sheets are located on the Post Announcements Board. All members are encouraged to help! Please sign up as this will be a large event, and we cannot put it on without many volunteers. Come out and have a great time with your fellow comrades! Prep day for the picnic is August 31st at 1200 if you would like to help. We will have a Buddy Poppy Fundraising Dinner on Thursday, September 26th, from 1700-1900.

\$15.00 gets you Chicken Alfredo with Garden Salad and Garlic Bread, as well as dessert.

We are a great Post! I am proud to be a member and to have the privilege of serving as your Jr. Vice Commander. There are many opportunities to volunteer around the Post. I find that serving (volunteering) is one of the most beneficial things we can do in life. Some of the benefits of serving are that it connects us to one another in a way that helps expand our social networks, as well as boosts our relationships to foster lifelong "familyships", as I like to call them. It also does incredible things to help our mental health and increases our self-confidence as well as releasing dopamine that brings a sense of joy and fulfillment to our lives. That said, often there are barriers to volunteering. Some may feel that it is not for them, or they "don't have the time." My recommendation is, jump in! You will find that you may love it, because in a way we are all those people and we love spending time together, serving our Post and our community. Remember, Many Hands make for Light Work.

The VFW Post 392 Newsletter and Calendar are available online

for free! If you are currently receiving a hard copy of the Newsletter via the USPS, we ask that you subscribe to our e-mailing list so we can reduce printing and mailing costs to our members. To view these documents online, go to vfw392.org and click on the links along the left side of the page to view each page.

On the Newsletter page, you can sign up to receive the monthly notification about the Newsletter, Calendar of Events, and other Post related communications by clicking on the "[Subscribe to the VFW Post 392 Mailing List](#)" link. Ensure that you add the domain "vfw392.org" to your address book. This will prevent the Post emails from going to your SPAM folder!

Updating Your Name, Address and Contact Information

VFW Post 392 maintains the name, address, phone number and email address for all our Post and Auxiliary members. If any of this information has changed for you since you joined the Post, please notify the Post Quartermaster (vfw392@gmail.com) by phone or email so he can update our databases. If you are planning on moving anytime in the upcoming future (often the case with our active duty military members) please contact us as soon as you have your new contact information so we can stay in touch with you and ensure you get Post information. When your mailing address changes, be sure to fill out a USPS address change form, mail it in, or drop it off at the Post.

DECEASED MEMBERS:

Please contact the Post when a member passes. If members are only reported as deceased to VFW National, we find this out only by checking the National Deceased list, which does not provide the deceased's date of death. Also,

VFW National Headquarters often lists members from our Post as deceased without us knowing. Sometimes these members have been deceased for many years. Last year, VFW National reported 31 of our members deceased. When we find out that a member is deceased, often the members contact information is not up-to-date, so we are unable to do a follow-up with the family.

We maintain a permanent wall plaque for the names and dates of our deceased members. Please help us honor them!!

CHAPLAIN'S CORNER

Comrades, Auxiliary & friends, I greet you in the name of Jesus Christ our Lord & Savior.

As we enter the month of September, we can look forward to the fall season. HISTORICALLY it is starting to cool down a bit, bringing pleasant evenings & perhaps the opportunity to give the air conditioner a break. My two favorite seasons of the year are spring (before I have to mow the grass) & fall (before I have to rake the leaves).

This month I would like to share a story & voice a concern.

A young man named John received a parrot as a gift. The parrot had a bad attitude & an even worse vocabulary. It seemed as though every word out of the bird's mouth was rude, obnoxious & laced with profanity. John tried to change the bird's attitude by constantly saying kind words, playing soft music & anything else he could think of to clean up the parrot's vocabulary. Nothing worked! Finally, John was fed up & yelled at the parrot. The parrot yelled back. John shook the parrot

& the parrot got angrier & even more rude. John, in desperation, grabbed the bird & put him in the freezer. For a few minutes the parrot squawked, kicked & screamed. Then suddenly there was total silence. For over a minute, not a sound. Fearing that he'd hurt the parrot, John opened the freezer door. The bird calmly stepped out onto John's outstretched arm & said "I believe I may have offended you with my rude language & actions. I'm sincerely remorseful for my inappropriate transgressions & fully intend to do everything I can to correct my rude & unforgivable behavior". John was stunned at the change in the bird's attitude. As he was about to ask the parrot why he had made such a dramatic change, the bird spoke up & asked, very softly, "May I ask what the turkey did"?

The reason for this story is to bring to everyone's attention a discussion by the "House Committee" about concern of how profanity at the Post seems to have gotten considerably worse. I find this unfortunate, since we currently seem to have more families, children & guests coming to the Post. Some of our members and their spouses refuse to come & enjoy the music, food & activities because of the coarse language.

Those of you who may think me prudish, haven't been around when I hit my thumb with a hammer or if some of my tech equipment malfunctions. I realize that cursing was one of the blocks taught & refined in our military careers. When we were on active duty & surrounded by our military peers, colorful, descriptive language was an accepted way of communication. In other company, not so much.

While we all come to the post to unwind, have a good time & enjoy one another's company, please try

to be aware of who is around so they might enjoy their visit as well. **Be a good parrot, not a turkey.**

My brothers & sisters please continue to be kind to one another. Support & pray for one another. As your chaplain, I'm here to serve you. Please reach out to me at the Gmail address below.
